BODY SUITS

Manufactured from the finest quality non see through 250gsm supa lycra. All suits are front lined with a 190gsm wick treated liner. Suits are available with either a standard neck or zipp neck, and with or without side panelling... We can also customise your bibs to match perfectly!! It doesn't get any better than this! As you can virtually see anything is possible so if you wish please enquire about a custom design for your organisation.

TOPS

Available in standard and fitted cuts. Manufactured from ultra mesh... Comfortable, sweat absorbing and high UV rating. Tops can come in both sleeveless and raglan sleeve styles. Tops can be also made into long sleeved shirts.

ULTRA MESH DRESSES

Becoming very popular is the dress alternative to the suit. Worn in New Zealand for many year, these garments are simple, and offer a great saving to a combination shirt and skirt set, or its lycra suit counterpart. These garments are manufactured from cool Ultra mesh and can be sublimated to match almost any design you can imagine.

SKIRTS

Manufactured from quality sportsfibre fabric, our ultimate, chameleon, eclipse and monte style skirts leave nothing to be desired. Choose a patterned design, or enquire about a custom design for your club.

LYCRA TOPS AND SKIRTS

Manufactured using the finest quality non see through 250gsm supa lycra. Tops and skirts can be purchased as separate items or as a two piece suit. Skirts feature a gripper elastic waist. All designs can be duplicated onto a full bodysuit, or please enquire about a custom design for your club.

LYCRA BRIEFS

Manufactured using the finest quality non see through 250gsm supa lycra. Price is based on full color sublimation which means you can fully customise the colors.
